Resume

Omar Awwad

Born on 13.02.1996 in Kuwait
Nationality: Egyptian
single

High-Education

01/2021– 01/2022

Master's degree in Artificial Intelligence at Huddersfield University (England)

Major fields of study: Machine Learning, Data Science, Statistics

2015– 2019

Bachelor's degree in information technology at Eastern Mediterranean university (Cyprus)

Major fields of study: databases, data structure, web development
CGPA: 3.25

Practical Experience

I have worked on a few web projects as a freelancer during my university years, I also had summer training for 2 months during the last year of my undergraduate studies. I mainly used to work with MERN stack. However, I gradually acquired an interest in Artificial Intelligence and currently I am looking for an internship opportunity.
